- Choose from a variety of cooler styles and colors
- Combat the unpleasant taste in municipal water
- Filter out impurities and contaminants
- Energy Star rated
- Dimensions: W 13" x D 13" x H 40" / W 13.5" x D 16" x H 40.5"

Countertop Bottle-free Filtration Coolers

Enjoy all the same great features of our bottle-free filtration coolers in a convenient space saving countertop design.

There is nothing wrong with your municipal water, but we can certainly make it **taste better!**

About Carbon Filtration

- Unique filter blend uses activated carbon to reduce offensive contaminants and the taste and odor of chlorine. Sanitary cartridge replacement is simple, quick and clean. Internal filter components are never exposed.

* Reverse Osmosis and other filtration units also available.

W 11.5" x D 16" x H 18" / W 13" x D 18" x H 16.25" / W 13.5" x D 16" x H 17.5"

Diamond Springs is a locally owned, family company with over fifty years of experience in the filtered water, coffee and refreshment business.

We still do it the old fashion way - **quality products, fast reliable delivery and friendly local service!**
